

MKV 2006 Final Shuffleboard Under ground Newsletter.

At The Beach Front Courts.

A show was put on by the Judges to the entertainment of everyone. They are going to take the show on the road. First to lower Slovenia then!. The world awaits.

The match was taped and will be shown later on ESPN along with the 2002 Olympic delayed tapes.

The demand to see the match was so high Gary sold seats in Castaways. 101 watched the match.

Since this was the first year we had a Sergeant at Arms/Sheriff, Judge Lou aka "The Shoe Thief" restrained himself so we all have our shoes. Since Ken is walking each morning with Parker, Don Turner has been the recipient of very few golf balls.
