**VIEW FROM THE
JUDGES CHAIR.**

As we prepare for another banner season at MKV we are aware of increased interest in the games this year and hope the star of last years games, George Gerritson, will participate again to lend excitement to the tournament.

Due to the polarization of our society in the past year and the possibility of threats to the Judges for making unpopular decisions, they may, on occasion request the Official

**SHERIFF to admonish the
offending participant.**

The written and unwritten rules will remain unchanged from last year.

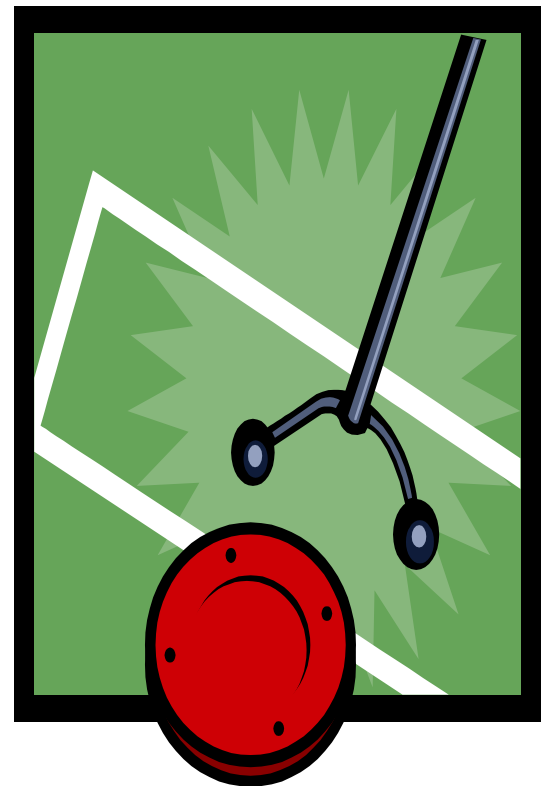

As in years past, the winner of the coin toss will get choice of lane or color and will push second. The loser of the toss will begin the match with the opponent puck off.

Good Luck to All.
