“TIS THE SEASON”

Our new replacement Judge, Judge Jim Roemer took charge of todays match. Though never confused as were the puck watchers, Judge Jim as never before ruled the roost. Took forever to get the game underway with all the negotiations undertaken.

Roseann and Betty kept score without any mishaps or disagreements. Caryn Childs and Les Howatt played well until a surge in the second half which took Sheri Vandersnick and Alan Sheppard to a win of 101 to 84.

In the matches to date there have only been 2 minus 10's— 1 by Judge Jim Roemer.

The second match today had to be postponed to another day due to a medical condition. Since Charles eyes were fixed by laser we all have less wrinkles and now he can see forever.

Mary Mayres & Jim Crowe v Bob Paul & Lynn Carlson when rescheduled will not be Judged by Lynn (not Jan) Carlson.

We will let you know when that match is rescheduled.
