“TIS THE SEASON”

“Wind, Wind Go Away, Come Back Another Day”, (Perhaps in May).

Jim Roemer did an excellent job at being proficient as the official leaf remover today.

The first match was Bobbie Johnson and Bill Green against Marge Keys and Dean Rockey. A miracle—Dean showed up ten minutes before the match began. Bill questioned Judge Joe (Brakovec) of whether Dean was in violation of using his own personal puck pusher. Judge Joe ruled that Dean’s personal schtick was grandfathered. (Just goes to show you that Dean is aged).

When the match was virtually tied at 45 to 44, Bobbie shot a whopping 24 points. Not to be outdone by his partner, Bobbie, Bill shot a magnificent 30 points. Bobbie and Bill went on to win 104 to 50. Bill was wearing his Breakfast of Champions Red Shirt. Saint Louis 2011 World Series).

Parker Fritschle asked Judge Joe as to the rule of Alcoholic

Beverages at a Shuffleboard match. The Judge referred to the Kranak Rule #44. Roughly stated—a puck pusher can have an alcoholic beverage in hand but the Judge must remain free of any substance during the match. The Sheriff’s, Gene Jones and Deputy Sheriff Parker Fritschle served a warrant to Roseann Mastrangioli for Pulverizing Shuffleboard Pucks. Judge Joe put a hold on Roseann’s arrest with a Judges decision due on Monday.

Temporary Judge, Fran Mertins asked Judge Joe on who goes first on winning the Coin Toss. Judge referred to the 2008 Written Rule. Of course, it is the Loser of the Toss.

The Second Match was Barbie Langendorf and Ben Ortega against Nina Howatt and Don Turner with Temporary Judge Lynn Carlson presiding. The score was Neck and Neck at 92 to 90 when Barbie shot a 16 to end the game at 108 to 90.

We will let you know when the other 2 matches are rescheduled.
