“TIS THE SEASON”

Hark the Harold—

We received the Judges new “HI CHAIR” it came equipped with a Bumble Shute and a Holder. Judge Joe was ecstatic!

The “Hi” Chair was also equipped with a drink holder, (where was Bruce Kranak when he was needed?) and possibly the standing Judges will deny that it is definitely a Bribe Holder container.

Not that Judge Joe or Judge George would ever Except (or Accept) any such thing.

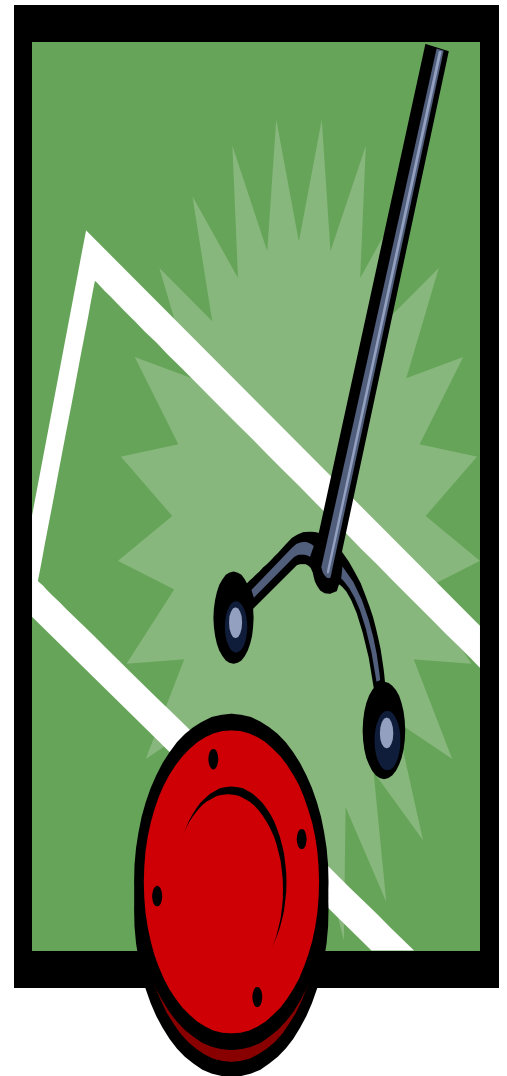

PLEASE THANK PATRICK OUR G.M., SCOTT OUR M.M., & SHANE for obtaining our very own new Shuffleboard Judges “HI CHAIR”, new equipment in time for our Annual Event.

The first Shuffleboard Match on Friday had a few quirks. Gorgeous, Diane Feuerstein and really musical Scotty Smith got stuck at plus 30 for five zeros in a row ending up behind Frances Rockey and Don Turner 66 to 30. Diane and Scotty rallied and ended up winning 104 to 81. Diane hit a high score this year of 25 points.

Mary Lou Turner & Norman Weil led off the 2nd match of the day with a minus two and rallied back to win 110 to 62 against Willa Sheppard and Ben Buerman. This was Ben’s first foray into the Shuffleboard Tournament. He was able and substituting (and did well) for Henry Keys who was ill and recuperating.

We all wish Henry a speedy recovery and would like him to be in good health soon.

MOVIE CHOICE FOR MONDAY STILL NOT CHOSEN.
