“TIS THE SEASON” .

Judge Lou has been told many times he could be replaced. Well, today he was. Ken “Fruitcake” substituted. Mary Lou substituted for Virginia “the Cat House Lady. Where is Virginia ??.

Bruce Kranak and Les Howatt started practicing before the first match of the day with record 10 offs. So they decided to get on with the game. Fran decided to go first but Bruce complained it was too much pressure for him. Bruce says he has the technology to get the award for the most 10 offs. Chic Smith had great oblique hits. Les steady as usual. At a score of 95 to 71 Bruce invoked his certificate good for 10 points for drinking the most Mai Tais last year. The certificate had to be accepted and approved by this years tournament directors. To roars and an appeal to the crowd the Judge ruled it was declined this game as one of the tournament directors was on the opposing team and would not authorize the cashing in. Bruce continued to try to sell it for a Mai Tai to anyone else playing. Karen Paul mentioned he should be given a prize for keeping the paper. Even though they cheated Bruce and Fran beat out Les and Chic 102 to 78. Judge Lou was back at his bench chair for the second match and immediately called a whale watch time out. Turned out to be a pretty good spinner dolphin show instead. When play resumed he thanked the Entertainment Committee for the pre-game show.

Sherry Vandersnick and Bill Green the “Tournament Doctor” vs Mary Lou Turner and Dick Thorpe –in the last newsletter left of the D so you could fill in an S or D as you decided – joined the group wearing the “Power of Red” American Heart Association day. Midwest Maui Madness sun visors were in abundance in the bleachers. At the beginning of the match Sherry thought she was playing with Mary Lou ! Sherry was sucking up to the Judge when a line call on a 10 off was being called. Mary Lou was given a vitamin pick up of a Mai Tai drink and immediately scored 26 which Sherry immediately zapped down to 8 followed by a ten off hit. After a lot of minus 10’s by both sides Sherry and Dr. Bill won 103 to 78.

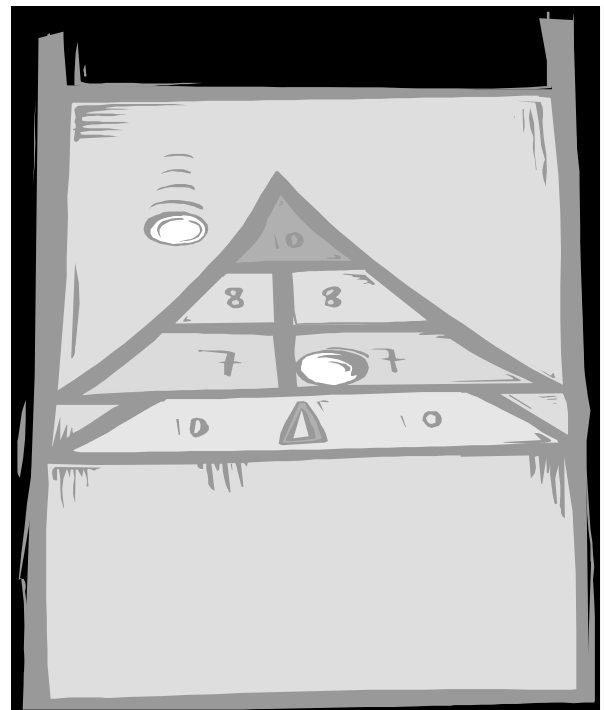

After the match Sherry and Dr. Bill took Mary Lou to the local Imbibing Establishment for commiseration by feeding her (one ?) Mai Tai. Mary Lou contends she was drugged. Dr. Bill-Shame, Shame, Shame. (P.S. –Don usually does most of the imbibing for both Turners).

By the way we have really been getting a really great deal in this tournament—2 games a day for one entrance fee.

Also Chic and Dick are collecting entrance fees. Have you paid yet ?.

That’s all folks.
